Hi Jennifer,
As the MVC Chairman of this new committee I'm reaching out to the various chairs of Planning Boards on the island to get their input on if and how the MVC can help towns focus on planning needs in the future and most importantly how we can facilitate economic/ industrial zoning planning moving forward. We're hoping to have a hybrid meeting next Wednesday , the 29th with the Planning Board Chairs from each town and other board members who may be interested. The meeting is tentatively scheduled for 4 pm. Please pass along to your board.
Thanks,
Brian Smith
