Type of injury/ Complaint goat, Lg c̄ horns chasing woman down hill to Lot

Narrative-
Niko was in parking lot + I was in shock when we saw + heard woman come running down hill c̄ Lg goat chasing her. I told her to stop running + went + got rake, to keep distance + try to encourage him back up hill. He We wound up in parking lot, woman anxious to go back home but goat Kept trying to follow her. She said goat belonged to her neighbor, Doug Lyman. Same goat as last yr that chased woman around beach chair. Niko grabed small broom, eventually goat headed up road to Stock. We didn't abuse goat just tried to keep him away from woman. He had shock collar on but must
Care rendered/Action Taken have busted out of fencing. Pooped + peed on road

by shack. We called Karyn @ Lucy to send ACO or police but no one showed up. Eventually he decided to head home but we had people coming in to go to beach + this goat can jump up + down rocks like a goat! + if there had been anyone, esp. women + young children it could have been dangerous. We raked + swept poop off road so that walkers + young children with no shoes didn't step on it.
Follow up-

Police showed up and went to Lyman residence off Stock Lane @ 11:07 Jonathan + Billy just came back + stated goat sitting on deck + owner not home but they will try + contact him.
