Section 4.0 CLASSIFICATION AND COMPENSATION PLANS

4.1 Classification and Compensation Plans

The HRBC shall develop a Classification Plan and a salary Compensation Plan to promote the recruitment of qualified applicants and to reward and retain employees based on a satisfactory job performance and evaluation. The Compensation Plan may take into consideration the relative responsibilities of positions as set forth in the job descriptions, wage rates paid for comparable positions in comparable communities, as well as in the private sector, wage rates paid under collective bargaining agreements, economic conditions in the general labor market and the Town's fiscal condition. The plan, after approval by Town Meeting vote, shall be reviewed and revised as needed from time to time in order to maintain a fair and equitable compensation system for the Town.

4.2 Step Increases

Progression through the rate ranges normally will be one step annually, unless otherwise requested by the Department Head and approved by the HRBC and Appointing Authority. Step increases may be given only on the basis of satisfactory work performance as certified annually by the Appointing Authority.

4.3 Promotions and Transfers

When an employee is promoted to a higher-rated job, the employee shall enter the position at the minimum rate of the job range or at the employee's present rate, whichever is higher. The employee may also receive a step increase at that time if the Department Head feels that the employee's qualifications and performance warrant it and with Human Resources Board and Appointing Authority approvals.

If an employee is transferred and reclassified to a lower-rated job, the employee shall enter the position at the employee's present rate or at the maximum rate of the position, whichever is lower.

When rate ranges are affected by a wage increase voted by the Town, either by a fixed percentage or a fixed amount, an employee covered by the Compensation Plan and in the classifications specified, except those holding personal rates, shall benefit. An employee holding a personal rate shall not receive an increase until the maximum rate from the Classification Plan exceeds the personal rate.

No pay shall be reduced as a result of a rate range revision of the plan. If an employee receives a pay rate above the maximum rate for the job, this rate becomes a personal rate and applies only to the present employee.

Any earned, unused compensatory time shall follow the employee to his or her new position and shall be paid at the new pay rate when the time is used.

4.4 Temporary Employee Compensation

A Temporary Employee shall be paid at the entry level step 1 of a position's grade as outlined in the Compensation Plan or at a higher step as recommended by the HRBC and approved by the Board of Selectmen.

4.5 Overtime

Year-round non-exempt employees, or other employees as required by the Fair Labor Standards Act, as amended from time to time, will be paid one and one-half (1 1/2) times their regular hourly rate for all hours worked in excess of 40 hours per week within the Department where the employee is regularly employed. Overtime work must be approved by the employee's Department Head before working the extra hours.

Where overtime is performed for a Department other than the employee's regular Department, the overtime rate will be one and one-half (1 1/2) times the appropriate rate schedule for the work performed. Overtime paid to an employee working for a Department other than the employee's regular Department shall only be approved with a prior written recommendation from the Department Head for whom the work is to be performed. Leave or holiday hours utilized during a work week will not be credited as "hours worked" for purposes of calculating overtime.

There are occasions where the Town may grant Compensatory Time (Comp. Time) to non-exempt employees as set forth in the HRPM.

4.7 Police Department On-Call Compensation

Members of the Police Department shall receive on-call compensation, the amount to be determined annually by the Board of Selectmen.

In determining whether an unpaid leave of absence should be granted, the Board of Selectmen may consider the employee's performance, the impact of the

employee's absence on the work in the Department, and/or other factors that the Board of Selectmen deems relevant.
