To Chilmark Selectmen,

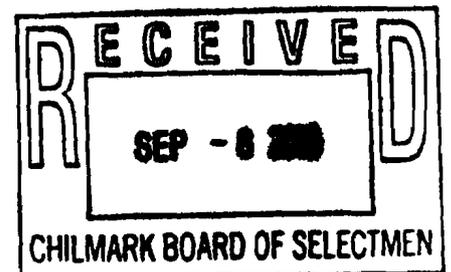

I am writing to request permission for the 11th Annual MVFF to be held at the Chilmark Community Center on March 18-20th. I'd also like to make the additional request that we are able to get into the CCC on the morning of Thursday the 17th for setting up and until Monday afternoon, the 21st for cleaning up.

I'd also like to request permission to erect a tent again, as it has worked out very well in the past.

Thank you for your ongoing support of our event!

With warm regards,

Thomas Bena

Hello Tim,

Thanks for asking--we'd love to!

How about:

- installing non-fluorescent lights on the stage and in the house that can be dimmed.
- widening the opening from the small room to the main room and installing new doors and while we're at it insulating the walls
- cleaning and expanding the attic to make it a functional projection booth and storage space
- adding on to the chair closet to make for additional storage space

We're happy to do any or all of these!!

Gratefully,

Thomas

Is the Film Festival going to do something awesome/beneficial for the Community Center in lieu of paying rent for the hall this spring?
