Subject: Public Building Projects Design Services for Tea Lane Farm

Tim,

You stated that the estimated design fee for the Tea Lane Farm renovation/restoration would be less than \$10,000.

Under MGL c. 7, sec. 38A1/2-O, if the estimated design fee is less than \$10,000, then the Town of Chilmark does not have to follow a qualifications-based selection process that would include advertising and adopting designer selection procedures. Instead, it recommends soliciting qualifications and prices from at least three designers.
