RE: *Authorization to Execute Municipal Competitive Electric Supply*

Dear Ms. Downey,

I understand that the Cape Light Compact (the "Compact") issued a Request for Proposals ("RFP") for municipal electric accounts for July 2011 and beyond. The Compact issued this RFP for municipal accounts to take advantage of the current low market prices for electricity.

I recognize that the bids are due Tuesday, December 14, 2010 and in order to avoid any premiums being included in the bid price, the price for electricity is valid only until 5:00 PM that day. I understand that prior to accepting the most responsive bid, the Compact will have reviewed and vetted the contract terms and conditions with both its outside technical consultant and legal counsel. The term of the contract will be anywhere from 12 months to 36 months and will commit the municipality to purchase all of its generation from the chosen competitive supplier for such term, without any right to opt-out.

I am unable to attend in person and execute the recommended contract on Tuesday, December 14, 2010 and as a result I am authorizing Margaret T. Downey, Compact Chief Procurement Officer, to execute the contract recommended by her on behalf of the municipality or other governmental entity set forth below. I further attest that I have been duly authorized to undertake this action on behalf of my Town and/or other governmental entity.
