Gentlemen,

The position of Conservation Officer has been vacant since Rusty's death. Chuck Hodginson has been doing this work very competently for us on an as- needed basis.

We would like to recommend that Chuck be given this job on a permanent basis starting January 1, 2011. He has the extra time to commit to the work, is most qualified and there is no one else with his qualifications available. For this additional work we would further recommend that his salary be increased by \$5,000 per year.

With his help, there will be a smooth transition after Rusty's many capable years on the job.

Please advise.

Very Truly Yours,

Richard Smith
