Hi Tim,  
Can you please put us on the Selectmen's agenda as soon as you can so they can approve our refinance. I think we will also have to ask for an extension of something in our deed rider. I think you know what I am referring to because I know others have had it changed. I will look at my deed rider to make sure we have the same language. Let me know if you need any other info.

Thanks,  
Dardy
