**TO:** Tim Carroll Exec, Sec.  
PO Box 119  
Chilmark, MA 02535

**FROM:** Laura Santosuosso

**RE:** **Chilmark Menemsha Pier Connector - 20103**

**DATE:** October 10, 2012

Pursuant to the Massachusetts Public Records Law, I request the following:

- Copies of certified payroll records submitted by **C White Marine Inc.**, and all non-filed subcontractors to the general for work performed on the above named project. Please provide one week per month per contractor. **Certified payrolls are required by law (MGL Chapter 149, Section 27B) to include names, addresses, occupational classifications, hours worked and wages paid, a copy of the MA Division of Apprentice Training apprentice identification card for each apprentice on the payroll and proof of OSHA 10 certification per the MA Attorney General's 2008 Advisory.**
- Copy of **ALL applicable complete Minimum Wage schedules.** MGL Chapter 149, Section 27 requires the awarding authority to request updates of wage rates each year after the contract award. Wage Rate schedules include wage rates and apprentice steps, rates, benefits and ratios. A copy of each wage rates schedule is to be provided free of charge (See below).

Please respond within ten (10) calendar days as required by law.

I understand that we will be charged the reasonable cost of providing the above. **However, if the cost will exceed \$100.00, please first email or fax a list of all subcontractors on the project so that we may narrow our request accordingly. Please also note that MGL Chapter 149 Section 27B requires that the awarding authority or public official provide "any person requesting" with a copy of the wage rates schedule "without cost."** Email to [lsantosuosso@ffcm.org](mailto:lsantosuosso@ffcm.org) or fax at 617-248-1809. If you have any questions, I can also be reached at 617-248-0670.

Thank you very much for your cooperation.
