Squibnocket Beach
Parking Area Cleanup
January 3, 2013

Storm Damage Cleanup

Remove concrete and debris from area adjacent to parking; manually pick up debris from existing shrubs and undergrowth to minimize impact to vegetation; load and haul away all debris; 10-15' off the west side of parking area; 30' off north side of parking area

\$4,800.00

Future Suggestions

Fill ruts created by storm erosion with native gravel and soil; replant bare areas with native grass and shrubs in spring 2013
