Dear Abutter:

Massachusetts General Laws Chapter 148 Section 13 requires any person filing an application for a license to store inflammable materials give notification to abutters.

As such an abutter please note that an application has been filed with the Chilmark Board of Selectmen on behalf of Blue Sky MV LTD to store 4,000 gallons of propane gas in 3 existing underground tanks (1,000, 1,000 and 2,000 gallons). The application has been previously approved by the Chilmark fire chief. The proposed project is at #44 Cobb's Hill Road, Assessor Map 11, Parcel 23.3, Chilmark, MA.

Copies of the license application are on file with the Chilmark Selectmen at the Town Hall. For more information or to examine copies contact the Selectmen's Office at the Town Hall (508)-645-2101 or this office.

At least 7 days before the public hearing, a legal notice will be published in a local paper.

Sincerely,

A handwritten signature in black ink, appearing to read "Reid G. Silva".
