Dear Chilmark Town Selectmen,

Thank you for opportunity to use The Chilmark Community Center (CCC) for the first GYROKINESIS® Workshop offered on Martha's Vineyard. Authorized Master Trainer Billy Macagnone and his assistant Chie Mukai (who worked at The Yard four years ago) led an inspiring and nurturing workshop attended by a broad range of Islanders and two trainers from New Hampshire.

We are thrilled that one Islander plans to be trained in this work and offer her services on Island. We look forward to bringing Billy Macagnone back next year and growing this work on island.

Your support in making this available to our community is greatly appreciated.

Sincerely,

  
Valerie Sonnenthal
