RE: Vineyard Health Care Access Program (VHCAP) Oversight Board

Dear Selectmen:

I would like to thank you all for signing on to the Memorandum of Understanding (MOU) with Dukes County to run the Vineyard Health Care Access Program. Part of the MOU is agreement to create an Oversight Board comprised of one appointee and one alternate appointed by the Board of Selectmen of each participating municipality.

I would like to ask you to make these appointments before the end of December if possible and inform me of who will be representing your town.

For your information I am including names of people that expressed willingness to serve in this capacity:

Edgartown – Susan Sanford

West Tisbury – Rex Jarrell

Sincerely,

A handwritten signature in blue ink, appearing to read "Martina Thornton".
