**Re: Town of Chilmark – Streetlight Purchase**

Dear Mr. Carroll:

Enclosed please find the following documents relative to the Town of Chilmark's purchase of the street lighting equipment owned by NSTAR Electric pursuant to M.G.L. c.164, §34A:

- 3 original Purchase and Sale Agreements (P&S).
- 1 copy of the streetlight listing inventory.
- 3 original License Agreements.

Please have the appropriate Town official execute the 3 P&S and License Agreements (where designated) and return to my attention. The Town should retain for its files the streetlight listing inventory, a total of 22 lights.

In order for the transaction to be effective as of midnight on December 1, 2013, I must receive the executed P&S and License Agreements, together with the Town's payment of \$1.00 and the Certificate of Insurance required pursuant to Article 14 of the License Agreement by November 29, 2013. I will forward one fully executed version of the P&S and License Agreement to the Town once the Company executes these documents.

We would also ask that you provide us with a telephone number for our Call Center to provide to those who call with any streetlight questions after the effective date.

If you have any questions, please let me know. Thank you for your cooperation in this matter.

Sincerely,

Jeffrey N. Stevens, Esq.
