RE: Important Information—Price Changes

Dear Chairman and Members of the Board:

At Comcast, we are committed to constantly improving our customers' entertainment and communications experience and we continue to invest in making their services even better. As we make these and other investments, we periodically need to adjust prices due to increases we incur in programming and other business costs. Starting January 22, 2014, new prices will apply to select Video services and equipment as reflected in the enclosed notice.

Among these price changes, we have itemized a Broadcast TV Fee in order to identify some of the rising costs of retransmitting broadcast television signals. In the past, a portion (but not all) of these costs were included within the basic service rate. In recent years, the cost of retransmitting broadcast television signals has increased significantly, and going forward we want to address these increasing costs through a separate itemized charge. As we introduce this new Fee in your community, customers initially will see a reduction in their basic TV service rate in the same amount, while other video service tiers will see an increase.*

We promise to continue to provide our customers with a consistently superior experience, including 24/7 customer service, two-hour appointment windows and on-time arrival. We back up our services with the Comcast Customer Guarantee (visit www.comcast.com/guarantee for details).

We know you may have questions about these changes and if I can be of any further assistance, please do not hesitate to contact me at 617.279.6017.

Sincerely,

Mary O'Keeffe

Mary O'Keeffe, Sr. Manager

**If a customer was receiving services on a promotional basis, or under a minimum term agreement associated with a specific rate, as of January 19, 2014, the customer will not be affected by the Broadcast TV Fee during the applicable period.*

IMPORTANT PRICE ADJUSTMENT INFORMATION FOR Aquinnah, Chilmark, Edgartown, Oak Bluffs, Tisbury & West Tisbury MA

Dear Valued Customer,

December 2013

At Comcast, we are committed to constantly improving your entertainment and communications experience, and we continue to invest in making your services even better. As we make these and other investments, we periodically need to adjust prices due to increases we incur in programming and other business costs. Starting **January 22, 2014**, new prices will apply to select Video and Internet services and equipment as reflected in this notice.

Among these price changes, we have itemized a Broadcast TV Fee in order to identify some of the rising costs of retransmitting broadcast television signals. In recent years, the cost of retransmitting broadcast television signals has increased significantly, and going forward we want to address these increasing costs through a separate itemized charge. As we introduce this new Fee in your area, initially there will be a reduction in the Limited Basic TV service rate in the same amount as the Broadcast TV Fee, while other video service tiers will see an increase as provided in the schedule below.*

We promise to continue to provide you a consistently superior experience, including 24/7 customer service, two-hour appointment windows and on-time arrival. We back up our services with the Comcast Customer Guarantee (visit www.comcast.com/guarantee for details).

We know you may have questions about these changes. Feel free to visit us at www.xfinity.com/questions or call us at 1-800-COMCAST. Thank you for choosing Comcast. We value you as a customer, and look forward to continuing to serve you.

* If you were receiving services on a promotional basis, or under a minimum term agreement associated with a specific rate, as of January 19, 2014, you will not be affected by the Broadcast TV Fee during the applicable period.
