April 10, 2014

Dear Selectman Tim Carroll,

I can't attend the Selectmens' meeting on April 15, but hope you can discuss my request. I am writing to request the Chilmark Community Center on the date of June 21, 2014 4:00pm to 7:00pm.

The purpose is for our school's "End of the Year Party" as well as the celebration for two colleagues' retirements. Margaret Warnke and Robert Aldrin. Both well know with our students in the junior high, and the Chilmark students who join us in 6th grade. Island-wide school staff and parents will be invited, but it will be limited to adults only.

I understand that if we are granted this permission we will need to procure a certificate of liability for alcohol consumption. I would also like to ask you to consider waiving the \$200.00 fee, but we can provide the cleaning deposit. Our assistant principal, Mary Murphy Boyd, has agreed to be our "sponsor" as well as other faculty members who reside in Chilmark.

If you need more details, please let me know. As a member of our building's Sunshine Committee I will do my best to have all the details firmed up as the date gets closer.

Thank you for your time, and considering our request.

Sincerely,
Stephanie W. Dreyer, LMS
