Subject: PTO/OP fundraiser

Hi Tim,

Would you please share this info with Warren, Jonathan and Bill?

Susan Stevens suggested the PTO host an "Art Bar" fundraiser for the Outing Program at the CCC on 5/30.

The company known as "Paint Corner Art Bar" supplies all of the painting supplies- canvas, brushes, paints, guidance, etc.

Although their website reflects that they offer food, beer, wine, etc. that is not an option we plan to utilize.

The PTO would supply hors d'oeuvres.

The guests could bring their beverages of choice.

We would have a 50 person maximum.

It would run from approximately 630-930.

The cost per person is \$35 with \$10 of that going to the Outing Program.

It would be an adults only event- we would suggest folks think of it as "date night", "girls night out", etc.

We thought it would be a unique evening out without having to stray too far from home or do too much planning about "what should we do tonight?"

If you need more information, please email me back or have a chat with Susan.

Thanks!

Katie
