Re: Patrolman Opening / Appointment

Sirs,

Please accept this letter as my official request to have Jesse Burton appointed as the next full time police officer for the Town of Chilmark. After a hiring process which included a prescreening committee, a round of final interviews and a series of meetings; I have come to the decision that he is the best candidate for the position. There were five extremely great finalists and it was a hard decision that I did not take lightly.

Jesse will not be available at the next meeting for his appointment but when he returns from overseas work travel he will present himself in front of your board.

Thank You.

Respectfully Submitted

Chief Brian A Cioffi
