Dear Town of Chilmark Selectman,

The purpose of this letter is to commend the extraordinary efforts of the Town Committee on Squibnocket. We applaud and appreciate the members' dedication, time, energy, efforts, and vision. We congratulate them on a remarkable solution presented at the December 18th informational meeting. Given their recommendation, we encourage you to do everything in your power to carry out and complete all components of the Squibnocket project. By working collaboratively with all involved parties, we are optimistic you can secure much needed additional beach frontage. Unfortunately, we will be away in February and cannot be present to vote in favor of the recommendations. We wholeheartedly support it! We feel fortunate to live in a community of so many dedicated citizens.

Sincerely,

January 10, 2015
