Re: May 9th Fundraisers at the Chilmark Community Center

To the Chilmark Board of Selectmen,

The Martha's Vineyard Shellfish Group, a non-profit organization that produces shellfish seed for the island's towns, will be holding a fundraising event at the Chilmark Community Center on May 9th. Johnny Hoy will provide entertainment for the event. The MV Shellfish Group is asking the Board of Selectmen to consider waiving the rental fee for this fundraiser.

Thank you,

Sincerely,

Amandine Hall
