Dear Chairman and Members of the Board:

Pursuant to G.L. Ch. 166A, Section 10, Comcast is pleased to provide a copy of its Form 500 for 2014. The Form 500 contains information on customer video service related issues in your community and how Comcast responded, including the time taken to resolve these complaints. For the Form 500, the Massachusetts Department of Telecommunications and Cable defines a complaint as:

Any written or verbal contact with a cable operator in connection with subscription in which a person expresses dissatisfaction with an act, omission, product or service that is (1) within the operator's control, and (2) requires a corrective measure on the part of the operator.

Comcast also has forwarded a copy of the enclosed Form 500 to the Department of Telecommunications and Cable.

If I can be of further assistance on any matter related to the Form 500, please contact me at 617-279-6017.

Very truly yours,

Mary O'Keefe
Senior Manager of Government & Regulatory Affairs
