

VINEYARD CULTURAL COUNCIL FINAL REPORT:

{ Must be filled out before reimbursement can be made }

Please list your name (or organization's name), and the dates(s) when your project/program took place.

Diana DeBlase for Chilmark Town Hall

April 21, 2015 Selectmen's meeting.

Describe the project/program activities that took place. (This should correspond to the project summary presented in your grant application.) Please be as specific as possible.

The project was to "hang it up". We have a wonderful print from Trina Kingsbury that was collecting dust rolled up with a rubber band around it. The Town Hall has thousands of visitors each year and we wanted to get this hung up on our walls to be enjoyed and not forgotten. The we acknowledge the MVCC for supporting our project with partial funding with the logo and wording required in the grant application. *"This program is supported in part by a grant from the Martha's Vineyard Cultural Council local agency which is supported by the Massachusetts Cultural Council, a state agency."*

Evaluate the success of the project/program. How did the MVCC grant help in bringing your project to completion? What did you learn? Please include copies of any feedback you may have received from participants or observers.

The nature of this project is pretty straight forward once the frame company completed the job we brought it back to the Town Hall for the Selectmen to receive and then direct where to "hang it up"

Do you have any suggestions for how the Martha's Vineyard Cultural Council could have helped you or can help you in the future?

No, everyone was very helpful and clear on the process.

The process was wonderful. Getting together at the West Tisbury Library with the applicants for the open discussion on the grant was really well done. I enjoyed the wide range of programs proposed, though at one point I wondered if ours was worth it because it was not grand. But after cogitating realized that the small projects are worth trying.

Please feel free to use additional space for your answers, and to include support materials such as photos, advertisements, reviews, brochures/programs etc.

Expense Summary: Grantees are required to provide evidence that grant dollars were spent in accordance with the Grant Award Agreement. Evidence in the form of receipts, invoices and/or cancelled checks must be submitted for all grant expenditures.

Invoice is attached as page 3
