April 15, 2015

Dear Chief Municipal Official,

The Massachusetts Municipal Association will soon begin the process of updating the city and town information for the 2015-2016 edition of the Massachusetts Municipal Directory.

In recent years, we have sent the survey to each city and town clerk. This year, in response to some MMA members who contacted us, we will send the survey directly to you. This will give you an opportunity to determine who would be the best person to complete the online survey for your community.

For towns, we will send an email to you with a link to our Directory update website, along with a username and password. You will receive this email around the time of your spring election.

Cities will receive the email, with username and password, in early May.

The survey should take only a few minutes to complete by the individual who is most familiar with your municipal personnel.

We want to thank you in advance for your effort to help the MMA ensure that the listings for your community are as complete and accurate as possible.

If you have any questions, please let me know.

Best regards,

Mitch Evich
Editor, Massachusetts Municipal Directory
