

MEMO TO: BOARD OF SELECTMEN  
MEMO FROM: HARBORMASTER  
RE; NEW PILINGS IN MENEMSHA HARBOR  
DATE; MARCH 23, 2015

Dear Board:

We solicited quotes for 10 new 14" x 35' greenheart pilings for Menemsha Harbor, to be installed by May 15, 2015. Quotes are to remove and dispose of old ones and to provide and drive new ones. Locations will be determined at the Harbormaster's direction.

Aquamarine (Steve Ewing): \$25,500.00 Please note: unable to do job before fall

Cuttyhunk Marine (Don Lynch) 22,109.00

Offshore Engineering (John Packer) 20,500.00

The decision is yours; all the vendors are competent, skilled, and Cuttyhunk Marine and Offshore Engineering are both available to do the job by the 15<sup>th</sup>. We feel that greenheart is a superior choice to Class A Pressure Treated as it is less "brittle" and less likely to crack or break off if hit.

Respectfully submitted,

  
Dennis Jason *Agrees by direction*

# Town of Chilmark
