FOR IMMEDIATE RELEASE

Paving Projects Begin.

Tabor House Road from **Middle Road** to the **Landfill.**

May 19th – 21st 2015

North Road between # **414** and # **443**; (Bliss Pond Farm & Prospect Hill area)

May 26th & 28th 2015

Middle Road between #**135** & # **174** (Meeting House Road & Tea Lane area)

TBA – Tentatively First week in June

Tabor House Road will be CLOSED to through-traffic next week on Tuesday, Wednesday & Thursday for daytime repaving from 7:30 AM to 5:30 P.M. each day. All Middle Line Road and Landfill traffic will use North Road.

North Road will be CLOSED to through-traffic the following week on Tuesday & Wednesday for daytime repaving from 7:30 AM to 5:30 P.M. each day.

Middle Road will be CLOSED to through-traffic two days in early June for daytime repaving from 7:30 AM to 5:30 P.M. each day. Tea Lane residents will access their homes from North Road during the paving. Meeting House Road residents will access their homes from South Road during the paving.

Local traffic will not be allowed to cross freshly laid bituminous concrete. Expect delays. You will be directed away from the paving operation. It is possible that your particular driveway or sub-division road will be obstructed completely for up to 2 hours during the laying of the final top coat.

Paving will be conducted 7:30 AM through 5:30 P.M. daily. Please plan your travel accordingly.
