Dear Captain Jason:

Enclosed is my renewal application for slip # 6 on the West dock commercial area along with all required information and documentation.

Also included are two (2) checks in the amount of \$200.00 each.

If you feel I should pay full price for a half slip please cash them both. If you feel otherwise please return the second check.

Wishing you a less confrontational waterfront in 2016.

Sincerely,

A handwritten signature in black ink, appearing to read "Everett", with a long horizontal line extending to the right.
