

Dear Selectmen,

I am writing to request the use of the Community Center on Friday evening January 28 and Saturday January 30, 2016. This event is being organized as a benefit for Doug Kent to defray some of the medical costs he has incurred. Doug is suffering from Charles Bonnet Syndrome (CBS) as well as loss of his sight.

The event is sponsored by Clarissa Allen and is being organized by Lynne Whiting, Carol Brush, Lizzie Kent, Nelia Decker and myself. We plan to have a celebration of Doug's life and work on Friday evening and a sale of his art on Saturday. The proceeds of the sale will go directly to pay his medical bills. This is a pot luck and all of the work, food and supplies are being donated.

We are also requesting a possible waiver of rental fees if possible.

We will be responsible for all set up and clean up and we understand that the Center must be left in perfect condition as there is a memorial for Dr. Goldberg on January 31.

Thank you for your consideration

Beth Kramer
