

COASTAL RESILIENCY SEMINAR

Resiliency planning has become increasingly important with the devastating impact of coastal storm damage on infrastructure in recent years. We invite you to our Coastal Resiliency Seminar to help you determine where to start, whether you need to prevent or repair coastal damage.

Date: May 3, 2016
Time: 7:30AM to 1:30PM
Location: John Carver Inn
25 Summer Street
Plymouth, MA

Please RSVP by April 26 to
JAFrey@TigheBond.com or
413.572.3299
