Dear Selectmen and the Town of Chilmark,

I am writing to request to be included on the agenda at the next Selectman's Meeting (June 7) to get approval of one more event at the Chilmark Community Center on June 25.

The structure of this event will be nearly identical to our normal film screenings throughout the summer, and will serve as an initial summer kick-off screening before our summer film series gets fully underway. In the past we've had a "practice run" with just staff, but this year we figured we would open it to MVFF members, supporters (local businesses and people who have given monetarily) and also people who have volunteered for us at events, by making it free to all of those people. Since we're giving away the majority of the tickets, we don't expect to make much in door sales, so I'm wondering if there is any leniency in paying less for the rental fee for that night of June 25?

Looking forward to the meeting, thank you for your time,

Hilary Dreyer

Hillary maybe this should be addressed to Selectmen as your request and we can put this onto the Selectmen's meeting agenda for June 7th at their new time of 5:00 PM . -Dilly

Hi Dilly,

We wanted to have an initial summer kick-off screening before we really get rolling for the summer. In the past we've had a "practice run" with just staff, but this year we figured we would open it to MVFF members, supporters (local businesses and people who have given monetarily) and also people who have volunteered for us at events. Since we're giving away the majority of the tickets, we don't expect to make much in door sales, so that's why we're asking if there's any leniency in paying less for the rental fee.

Thank you,

Hilary

Hi Hillary,

The next Selectmen's meeting is June 7 2016 and any agenda requests must be in no later than noon June 2, 2016 Please send Tim and me any description and explanation. Is it free to the public? Or just folks who have given either monetarily or with volunteering to work for free?

Hi Dilly,

I just left a message for you, but I wanted to see if we could reserve June 25 at the CCC (I don't see anything on the

calendar). Do we need to present in front of the Selectman, again? If so, when is their next meeting?
The screening on the 25 will be free for members, volunteers, staff, and supporters, so I'm curious if we could ask for a fee reduction? How do I go about doing that?
Thank you,
Hilary
