Re: Application for Local Public Health Internship

Attached you will find an internship application prepared by the Chilmark Health Department on behalf the Martha's Vineyard Health Agents' Coalition.

The goal of the internship is to help Martha's Vineyard Boards of Health to respond to the significant health threat posed to our community by substance abuse.

I am pleased to report that our application has been accepted, and we would like the intern to begin work as soon as possible. Please do not hesitate to contact me if you have any questions.

Sincerely yours,

Marina Lent
Administrator, Chilmark Board of Health
