Warren Doty  
Board of Selectmen  
Town of Chilmark  
Chilmark, MA 02535

Dear Chairman Doty:

Please accept the enclosed check as a refund from the Dukes County Municipal Aggregation Project.

On the recommendation of the County's auditors, I have examined this dormant fund in the County's General Ledger. I found that the towns contributed toward a manager (Ridley & Associates) for the aggregation project. This was in conjunction with Cape Light Compact when electricity was first being de-regulated.

To determine how much to return to each town, I researched what each town paid toward the project and calculated the town's percentage of the \$157,223.04 collected. I applied that percentage to the Fund's balance of \$17,225.19. Please see enclosed spreadsheet.

Feel free to contact me with any questions.

Sincerely,

Noreen Mavro Flanders  
County Treasurer
