PUBLIC NOTICE MASSACHUSETTS

We are a public service made possible by the newspapers of Massachusetts and the Massachusetts Newspaper Publishers Association. This easy-to-use website is designed to assist citizens who want to know more about the actions of local, county and state government, as well as events occurring in the local and state court systems.

WHAT'S AVAILABLE - This website is a compilation of public notices published in newspapers throughout the state of Massachusetts. You can find notices from throughout Massachusetts 24 hours a day, seven days a week, about foreclosures, hearings, advertisements for bids, financial reports, ordinances and information about other government, business and judicial activities that are legally required to be published.

IS IT FREE? - - The public notices that appear on this website are available to masspublicnotices.org users at no charge. They were originally published in Massachusetts newspapers, the trusted source for all community information.

PLEASE NOTE:

The Public Notice Massachusetts website was launched for public viewing on December 1, 2015. The website receives uploaded public notices daily from newspapers throughout Massachusetts. The majority of the state's newspapers participate in this site. If the information you are looking for is not listed, let us know. Our goal is for this site to include every public notice published in Massachusetts.
