RE: CHILMARK--Wetlands
File No. SE 12-759
Request for
Superseding Order of Conditions
Squibnocket Road

Dear Mr. Liman:

The Department has reviewed the request for a Superseding Order of Conditions (SOC) dated June 13, 2016, the Applicant Squibnocket Farm, Inc.'s and the Chilmark Conservation Commission's requests to dismiss the SOC request for alleged lack of standing, and the requestor residents group's response to the request to dismiss the appeal and has determined that the group of persons that filed the SOC request constitutes a Ten Residents Group pursuant to 310 CMR 10.05(7)(a)5. As such, the requestor residents group has standing to file said request.

The Applicant is advised that no work, as proposed in the Notice of Intent for the above-referenced file, shall be undertaken until a Final Order of Conditions is issued by the Massachusetts Department of Environmental Protection and all administrative appeal periods have elapsed.

The Department will be contacting all parties to reschedule the onsite meeting.

If you have any questions or need additional information, please contact Bernadette DeBlander at (508) 946-2815.

Very truly yours,

James Mahala, Chief
Bureau of Water Resources
Wetlands & Waterways Program
