

## SOUTHEAST HOMELAND SECURITY REGIONAL ADVISORY COUNCIL

To: Municipal Managers  
Emergency Management Directors / Fire Chiefs

From: Mary Lyons, Chair SRAC, Chief Mattapoissett Police Department

Date: September 12, 2016

Re: Access to emergency equipment in the Bridgewater Homeland Security Cache

Greetings:

Homeland Security funds have been allocated to the Southeast Regional Homeland Security Advisory Council (SRAC) and, with the hard work of local officials, SRAC has created an inventory (cache) of equipment that is available to your communities for emergency response and other governmental purposes.

This equipment includes:

- Sign Board Trailers
- Light Trailers
- 70 kW Generators

Access and use of this equipment is simple and easy:

1. Review the Rules for Borrowing sheets,
2. Sign and return the Subscription Form,
3. Contact Chief Thomas Levy at Bridgewater Fire Dept. (508) 697-0913 or Superintendent Rob Kenn at the East Bridgewater DPW (508) 378-1620 to borrow any of the equipment.

The Cache site is located at 774 Plymouth Street, Bridgewater, behind Fire Station #2. An open house is planned for October 2016 with additional details about this event coming soon. Please plan to attend, tour the new storage shelter and see the new emergency response equipment.

Information regarding the Cache program is enclosed for your review. For participation in the program, please have the Mayor / Board of Selectmen sign and return the Subscription Form at your earliest convenience, no later than September 28, 2016, to Ross Perry at SRPEDD, 88 Broadway, Taunton, MA 02780.

If there are any questions, please feel free to contact me at 508 -758-4141 or Ross Perry at [rperry@srpedd.org](mailto:rperry@srpedd.org).

Sincerely,

Mary Lyons  
Chief Mary Lyons, Chair  
Southeast Regional Homeland Security Advisory Council
