

September 30, 2016

Honorable Selectmen,

I am asking permission and your approval to hunt in the Town Forest again this year. I have been approved for many years now and hope you will continue with this approval. I have written approval for access to this property from Mr. Lagemann and have spoken with and am familiar with the residence in the area.

Thank you for your consideration

Sincerely ,

Joseph Rogers

A handwritten signature in black ink, appearing to read "Joseph Rogers", with a long horizontal flourish extending to the right.
