Mr. Rappaport said that this was a meeting and not a reopening of the public hearing. Mr. Parker said that he was here for a joint meeting for the Zoning Board of Appeals to hear the Selectmen’s views. Mr. Rossi said that the Board of Appeals had planned to use the Board of Selectmen as the enforcing agent of any conditions, but had changed to using the Zoning Enforcement Officer (Building Inspector) to enforce the conditions. Mr. Murphy moved and the Zoning Board of Appeals voted unanimously (Five Ayes) for the written Special Permit conditions presented by Town Counsel and staff.
