

YOUR ENROLLMENT AS A VOTER

When you register to vote, you may choose to enroll in a political party or political designation or may choose to remain “unenrolled,” which is commonly referred to as independent.

Choosing to Enroll in a Political Party: There are two political parties in Massachusetts:

Democratic Party (D), (617) 776-2676
Republican Party (R), (617) 523-5005

If you enroll in either of these two parties you may vote only in that party’s primary. Enrollment in a political party does not affect your right to vote in the general election. In the general election, all voters receive the same ballot and vote for the candidate of their choice, regardless of party enrollment.

Choosing No Enrollment in a Political Party: If you do not wish to enroll in a party, check the box next to “No Party (unenrolled)” on the voter registration form.

If you do not enroll in a party, you may still vote in state and presidential primaries by choosing a party ballot and will remain unenrolled, which is commonly referred to as “independent.”

Choosing to Enroll in a Political Designation: In addition to the two “political parties” listed above, there are certain legal political designations in which you can enroll. Currently these are:
