Re: Oyster Grant - Iacono

At our meeting, held March 24, 2011, Chairman John Armstrong, Matthew Mayhew, Warren Doty, a quorum of the Shellfish Advisory Committee, reviewed an application from Vinny Iacono for an oyster grant at the Menemsha pond site.

This grant would be the same size as the other 5 which have already been approved and would be added along the line next to the site of Alec Gale & Tim Broderick.

It was decided that for now this would be the final grant for the area.

ABSTRACT Minutes of Shellfish Advisory Committee

"Mr. Doty moved to grant Mr. Iacono this oyster grant. Mr. Mayhew seconded the motion. **SO VOTED: 3 Ayes**"

The Shellfish Advisory Committee ask the Board of Selectmen to approve this oyster grant for Vinny Iacono, and to post a public hearing.

Sincerely,

Chairman John Armstrong
