Dear Selectmen:

I have thoroughly enjoyed being a member of the Board of the Up-Island Council on Aging and would like to be re-appointed.  
The Board meets only a few times during the year, mainly pertaining to annual budgets. We think very highly of the staff, and especially Director, Joyce Bowker and try to be supportive.  
They oversee a rich variety of events and programs.  
I do not feel that personally I did anything special.....just tried to be there.

Respectfully,  
Ann Deitrich

Dear Town Volunteer:

I want to thank you for your service to the town over the past year. Not everyone has the time, energy and passion to volunteer, so we appreciate your gift to the town.

The Selectmen are taking up the annual appointments this month and your term is currently expiring. I am writing to see if you would be willing to serve another term. I would love to hear from you by Friday afternoon if possible.

If you are willing to be considered by the Board of Selectmen for reappointment, would you please write a very short summary of your volunteer service to the town over the past term. An email is perfectly acceptable.

Please address it to the Board of Selectmen and include the major actions that you were part of. If you have any ideas for future action that you think the town should be taking in regard to the area you volunteer in, please feel free to include them too.

Thank you again for being a valuable member of the town team and I look forward to hearing from you soon.

Tim Carroll, Executive Secretary 508-645-2101 v 2110 f
