Dear Tim:

This letter will confirm my desire to be reappointed for another year's term on the Chilmark Town Housing Committee. I have enjoyed my work with the Committee and am thrilled with the progress that has been and continues to be made with the Middle Line project. I look forward to the project's total completion in not many months. Please inform the Board of Selectmen that I wish to be reappointed to the HC for another year's term to continue our work on other housing projects.

With best regards,
