Subject: Attn: Board of Selectmen

Sirs,

I am writing to formally request that I be reappointed to the beach committee for the next term.

The following is a brief summary of some of the actions I took while serving on the committee in the past year.

During the past year, I participated in all committee meetings and gave of my time freely when special circumstances arose. I assisted in the installation of the stairs at Squibnocket, participated in the design of the new sign at Squibnocket, reviewed and discussed the damage to the parking lot at LVB after the Spring storm with the contractor who performed the repairs, and also corresponded with a representative of the Vincent Beach Association regarding their concerns about the access road.

It has been an honor and a pleasure to serve on the board this past year. I am always willing to contribute any knowledge or skills I have that may benefit the beaches of the town and the operation and maintenance of same. My aim is to make our town's beaches safe and enjoyable for all who use them, and to allow the personell who work at the beaches to do their job in a safe and pleasant environment.

I look forward to continuing in this capacity, at your discretion.

Yours truly

Stephen A McQuiggan
