

Hi Tim

>

> Slow Food has booked the CCC on Saturday, Oct. 22 for a slow food potluck dinner (harvest dinner). Slow Food is an all volunteer, non-profit community group dedicated to education about sustainable food issues and working to support local farms. We usually only charge enough money to cover our costs. We have rented the CCC several times before, including twice this year for film/potluck meals. Jan Buhrman is our vice president.
