Meet Canine Buster

December 14, 2011

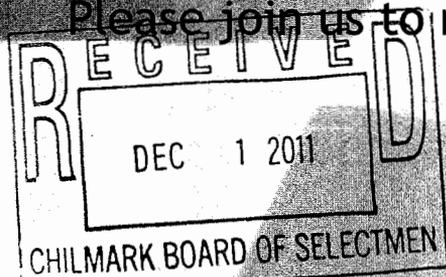

12:30

MV Chowder Company, Oak Bluffs

Buster, the newest member of the Martha's Vineyard Law Enforcement Council, is a one year old Labrador Retriever. His handler is Officer Jeffrey Trudel of the Oak Bluffs Police Department. Officer Trudel and Buster have completed formal narcotic detection training. Buster is also cross trained in human air scenting, which allows him to search for lost and missing persons. This new program will benefit all island towns as Officer Trudel and Buster will be available to assist all agencies.

This program became available solely by generous donations from members of the community; without these contributions this program would not have come to fruition.

Please join us to meet Buster; appetizers and chowder will be served.

Dear Board Members,

The Dukes County Commissioners were given an update on the activities of the Dukes County Fisherman's Association at our last meeting. The Fisherman's Association was formed by the County and we have provided them with office space and administrative support. Their report centered around the Winter Flounder Project that they are doing with the Wampanoag Tribe and the University of New Hampshire.

The coordinators of the project expressed thanks for the Town of Chilmark's involvement and support. The County Commissioners wish to echo those sentiments. This project might replenish our ponds with an economically viable species and help maintain the fisheries on Martha's Vineyard. The County Commissioners gratefully acknowledge your support.

Sincerely,

Russell H. Smith
Dukes County Manager
(for the Dukes County Commissioners)
