Re: Programming Contracts

Dear Chairman and Members of the Board:

The channels that we provide to our customers are carried pursuant to contracts with the owners of those channels. These contracts expire from time to time, and one or more may be scheduled to expire in any given month. Negotiating programming rights agreements is a routine part of our business. We have successfully negotiated renewals of thousands of such agreements without incident.

In order to keep our communities informed of potential programming changes, Comcast has created a webpage containing upcoming programming contract expirations. The webpage is available at www.xfinitytv.com/contractrenewals and will display those channels for which programming contracts are scheduled to expire in the next three months.

At Comcast we are committed to providing our customers with the best in entertainment; we fully expect that we will be able to reach an agreement with the owners of these channels to continue carrying them well into the future. Should that situation change we will notify you immediately.

As always, if you should have any questions or concerns please feel free to contact me at 508-477-7738.

Sincerely,

Mary O'Keeffe
