

I would like to request permission to hunt for the remainder of the 2011 deer season.

Permission request is for

Jonathan Klaren
Dan d'Hedouville
Joe Bohnenberger

All the above hold 2011 MA hunting licenses and valid LTC/FID cards, and have been granted permission from the town in the past.

Requesting permission only for town land surrounding the dump and on Pasture Road.

Thank You,

Jonathan Klaren
