

Chilmark Energy Committee Meeting

Wednesday January 25, 2023 5:00 PM

via Zoom

Meeting Notes

Attending: Rob Hannemann, Mike Jacobs, Jed Katch, Steve Lewenberg, Dion Alley, Richard Andre.

Vineyard Power Energy Transformation Program – Dion Alley

Dion, along with Richard Andre, presented an overview of the Vineyard Power Energy Transition Program focused on building energy efficiency and heat pump heating, cooling, and domestic hot water applications. Dion outlined the various rebates and other incentives available to both new construction and renovations.

In the future, similar information will be developed and published on the Vineyard Power website for solar PV, battery storage, and electric vehicles.

Project Update – DC Fast Charger

The town center charger project is moving forward, with an anticipated operational date by mid-summer. The next key milestone is town meeting approval for town funding for the portion of the project not covered by the Eversource Make Ready program and the state grant for the charger hardware.
