### Chilmark Board of Health Minutes

Wednesday, August 2, 2017, 5:00 pm  
Chilmark Town Hall

**Present:** Katie Carroll, Matt Poole, Jan Buhrman

**Also Present:** Cody Coutinho (Vineyard Land Surveying)

**Muglia, 3 Blue Barque Road (17-38.1 & 38.2)** The Board had insufficient information available to conclude that a Form C Subdivision Plan prepared by Chris Alley was feasible, since the test hole location was not indicated on the plan.

**Emin, 14 Fannie's Way, (13-10.2)** The Board **approved** a Form C Subdivision Plan prepared by Reid Silva. The space is limited, but will support a system in full compliance with Chilmark BOH requirements.

**LoRusso, 377 South Road (25-54)** Cody Coutinho discussed with the Board the homeowner's plan to add an addition to existing house. A previous tie-in to existing septic system shows six bedroom capacity for a five-bedroom house. The Board asked Marina Lent to do a bedroom count on the property.

**Jardin, 14 Ocean View Farm Road (25-101)** Cody Coutinho discussed with the Board the possibility of capacity expansion at the property. The Board noted that consideration of expansion would require a public hearing and abutter notification.

**VNA Contract FY'18** The Board asked Marina Lent to summarize the proposed contract and to relate it to contracts held throughout the past 15 years.

**Title 5 Certificate of Compliance:** Plasse, 31 Eben's Lane (13-23.2);

**The following Invoices were approved for payment:**

- Wampanoag Lab Beach testing May 2017 \$ 50
- MVRD SEMASS \$ 12
