

FinCom April 28, 2022 4:00 PM Meeting Minutes

Present remotely: Chairperson Susan Murphy, Rob Hannemann, Bruce Golden and Vicki Divoll. *Marshall Carroll, Eric Glasgow and Don Leopold were not present.* Also present: Tim Carroll.

At 4:05 PM Chairperson Murphy called the meeting to order on the Zoom platform. Chairperson Murphy asked to get feedback as to how we handled questions at Annual town Meeting and if how we can do better.

Mr. Hannemann said his point of view it went pretty well. Chairperson Murphy had to leave town meeting before it was finished as she was needed to babysit for an EMT who was stuck without a sitter.

Ms. Divoll said we might consider giving a summary and maybe speak to the issues where there was a split vote by the FinCom.

Chairperson Murphy said she had intended to write a summary but tested COVID positive on her return from Ireland. Chairperson Murphy said Tim Carroll had created something that she thought was good explaining the warrant articles.

Mr. Hannemann said on that explanation sheet Article 12 did not mention how much it was costing. Chairperson Murphy said one could flip back to the actual warrant that had all of the costs included.

Mr. Golden said he would like the new town moderator to clearly state if article passes or doesn't he thought it was unclear to hear it appears to have carried.

There was discussion on having the FinCom members all sit together rather than in the audience.

At 4:32 PM Mr. Golden said he had to leave meeting. With no quorum remaining meeting was then adjourned.

Minutes respectfully submitted by Diana DeBlase.
