

CHILMARK HARBOR ADVISORY COMMITTEE

MINUTES FOR JULY 1, 2022 MEETING

The HAC met on July 1, 2022 at 9:00 am on the West Dock. Minutes from May 5, 2022 were approved with one spelling correction. First on the agenda was the quarterly report of the harbormaster. Ryan provided a report of all things harbor related. After Ryan read the report there was some discussion. Traffic seeming to be the biggest problem. Tour vans dropping off their passengers then parking on fisherman lots being one of them. Next item was transient rate increase of slips and moorings. Ryan gave examples of other surrounding harbor rates. After discussion a vote was taken and the HAC will recommend to the select board to increase transient rates from \$3.10 per foot to \$3.50 per foot and moorings from \$35.00 per day to \$50.00 per day. There was a Spearpoint Oyster truck parked on the West dock plugged into town electric, Ryan was asked if they pay to use the electric, he replied no and would look into it. Meeting ended at 8:45. Present at the meeting were HAC members Steve Broderick, Susan Murphy, Deb Hancock, Wes Brighton, Jeffrey Maida, Wayne Iacono (who left before meeting ended), Selectmen Jim Malkin and Harbormaster Ryan Rossi. Absent were HAC members Andy Goldman and Fred Khedouri.

Jeffrey Maida

Chairman Harbor Advisory Committee
