

## **CHILMARK HARBOR ADVISORY COMMITTEE**

### **MINUTES FOR AUGUST 5, 2022 MEETING**

The Harbor Advisory Committee met on August 5, 2022 at 8:00 am on the West Dock. First item was to approve the minutes from the July 1, 2022 meeting. Minutes were approved. Second item was to make a recommendation to the select board about the \$44,000 needed from the town for its share of the Seaport Economic Grant for phase 2 of the commercial dock rebuild/ replacement. All members agreed. Third was to talk about an email written by Fred Khedouri in regards to problems with the west dock parking. Harbormaster Rossi spoke about his traffic officers being more present at the galley and checking parking permits. After much discussion about possible solutions such as putting year on permits, making permits like the beach stickers that stick on a window. No solutions were recommended at this time. The committee feels that something needs to be done and should be discussed again until a recommendation can be made. At the July 1, 2022 meeting someone asked Harbormaster Rossi if the refrigerated truck belonging to one of the oyster farmers pays to plug into town electricity, Ryan said he would look into it. After looking into it he felt the truck does not use enough electricity to worry about it. Meeting adjourned at 9:00 am. Those who attended were Harbormaster Rossi, HAC members Steve Broderick, Andy Goldman, Wayne Iacono, Susan Murphy, Fred Khedouri, Deb Hancock, Wes Brighton, and Jeff Maida. Absent was select board liaison James Malkin.
